## EXPERIENCE

NOVEMBER 2016 –

### PERSONAL TUTOR

- Take my students' math skills into my own hands and help them improve their grades and problem-solving abilities.
- Spend lots of time face-to-face with young children and have learned how to successfully communicate with them on a regular basis.

FEBRUARY 2018 –

### ASSISTANT TEACHER, SPIRIT OF MATH SCHOOLS

- Spend two hours with children on a weekly basis, consolidating their understanding of advanced mathematics and problem solving.

## EDUCATION

JUNE 2017

### GRADUATED FROM CEDRAVALE COMMUNITY SCHOOL

- Graduated from Grade 8 with the highest average award, propelled by my stellar performance in math.

JULY 2018

### GRADE 10 STUDENT, WILLIAM LYON MACKENZIE COLLEGIATE INSTITUTE

- Currently attend the MaCS program, graduating in 2021.
- Perfect GPA of 4.00 in my eight grade 9 courses and received an honors award in both semesters.
- Member of math club at school and student at an extracurricular math program.

## VOLUNTEERING

APRIL 2018 -

### YOUTH MEMBER, PROGRESSIVE CONSERVATIVE YOUTH

- Improved my communication and networking skills, making myself a more sociable, approachable person.

**MARCH 2018 -**

**YOUTH ADVISORY GROUP, TORONTO PUBLIC LIBRARY**

- Improved my collaborative skills and helped me gain experience in a leadership role.

**SEPTEMBER 2017 – JUNE 2018**

**YOUTH BOARD MEMBER, UNITED JEWISH APPEAL**

- Improved my teamwork skills and received experience as a member of a formal board with frequent meetings and outlined goals.

## **SKILLS**

- Fluent in English, basic knowledge of French and Russian.
- Very responsible and can take care of children.
- Positive attitude, creating a comfortable work environment.
- Quite versatile and can try out different teaching strategies.
